## THE FOLLY IN BUYING BLINDFOLDED

HOW many men and women in this community do their shopping blindfolded? Funny when you think of it that thinking men and women will play "Blind Man's Buff" with their money. You don't have to shop blindfolded unless you want to. The Out-of-Town Houses started the Big Game of "Blind Man's Buff." But, it's a dangerous game for us to play in our town. It isn't a fair game. It isn't fair to ourselves. It isn't fair to our community. It isn't fair to our home merchant. He is helping us, cooperating with us, working with us to upbuild and improve all our home institutions. Then, let up play fair with ourselves and with him. Let us give the home merchant the first chance. That is all he asks.
